## Topic 6 Leadership Ethics and Social Responsibility

Both ethics and social responsibility relate to the goodness or morality of organizations but social responsibility relates to an organization's impact on society and goes beyond doing what is ethical. It is a social obligation, beyond what is required by law and economics, for a firm to pursue long-term goals that are good for society.

### Morality - University of Washington

Ethics has been narrowed to quandary ethics in psychology too. Freud (1923/1962) and Durkheim (1925/1973) both had thick conceptions of morality; both men asked how it happened that individuals became willing participants in complex and constraining social orders. (This was the very question that McDougall said was fundamental.)
